

Emergency Operations Center Activation Levels

Level 1: Full Scale Activation

At this level, all primary and support Emergency Support Functions under the CEMP are activated. The EOC is activated with all personnel in response to a major incident/disaster and may remain activated at this level for several weeks.

Level 2: Partial Activation

At this level, the EOC is activated only with the necessary primary and support Emergency Support Function personnel needed to handle a small or short-term incident.

Level 3: Monitoring Activation

Level 3 is typically a “monitoring” phase. Notification will be made to those Emergency Support Functions and/or Departments who would need to take action as part of their everyday responsibilities. The County Emergency Operations Center will be staffed with Department of Public Safety Personnel.
